

# Madison Inferno Volleyball Club

## What Happens After Tryouts

- After Tryouts are over, the Coaches will get together and decide who to make offers to.
- Offers will be made to the emails you provided during registration. It will be a few hours after tryouts end before the offers go out as the Coaches and Club Director need to meet all together and discuss all of the participants and team make up.
- The Badger Region commitment deadline is:
  - For Middle School offers (11, 12, 13, 14)
    - You must accept/decline your offer by **Monday, October 4<sup>th</sup> at 7pm.**
  - For High School offers (15, 16, 17, 18)
    - You must accept/decline your offer by **Monday, November 15<sup>th</sup> at 7pm.**
- Please let us know as soon as possible of your decision.
- As always, players are encouraged to let Clubs know of their intentions as soon as the decision has been made – a player does NOT need to wait until the deadline to accept or decline an offer.
- **IMPORTANT NOTE: Formal acceptance of an offer is determined by when the player selects their chosen Club in the Sports Engine member management system.**
- You are NOT a member of the Club until you the player selects their chosen Club in Sports Engine.
- Upon official commitment to a Club, the athlete must remain with that Club for the remainder of the Junior Volleyball season.
- We expect to have the team finalized by no later than 2 days after the acceptance deadline.
- We are looking forward to fun, challenging and exciting season of Club Volleyball at Madison Inferno!

**Let's grow boys volleyball in Dane County together!**
